CONFIDENCE GROWS SLOWLY

When it is secured it is priceless. We propose to hold the position that has been won by a long and upright career. The things that have made this store the Largest Piano House in the State are conscientiousness, attention to the interests of our patrons, absolute honesty in all our dealings, handling the very best piano that the world has ever seen, and selling for always a little lower than anybody else. These principles are the basis upon which we ask for your patronage.
